

Remarks

Claims 5-32 are pending in the application. Reconsideration is respectfully requested in view of the above changes and the following remarks.

Claims 1-4 have been rejected as being unpatentable over Garcin in view of Pritchard. While not agreeing with the rejection, and in an effort to expedite allowance, claims 1-4 have been cancelled. All other claims were allowed in the last action. The application is now in condition for allowance. An early action to that end is earnestly solicited.

Respectfully submitted,  
JAMES LINDSAY et al.
